

parhai buddy

The Future of Parhai is AI

Welcome to Pakistan's first AI learning engine

parhai buddy is your personal tutor, an artificial intelligence engine designed to learn your strengths and weaknesses and then help you catch up and keep up with your studies.

features

maths, general science, biology, chemistry and physics, for grades 6 - 10

thousands of videos, games, and assessments

detailed skill-based reports

your own personal learning pathway

benefits

Study 24x7 at your own pace.

parhai buddy will track your performance and adjust your pathway as you go.

Fast track your pace, or skip ahead as you prefer.
